

Relief & Rebuild Update

Many have reached out to us about other ways to donate funds. We have a Venmo account set up that goes directly to the Haskell bank account for the New Beginnings House Fire.

Venmo is Missy Denard @Missy-Denard

Also, the mailing address for New Beginnings Big Country is PO Box 4193
Abilene, TX 79608

The bank account is at Haskell National Bank - New Beginnings House Fire.

Thank you all for the prayers and support.

I wanted to share a comforting reminder that God provides for and protects us.

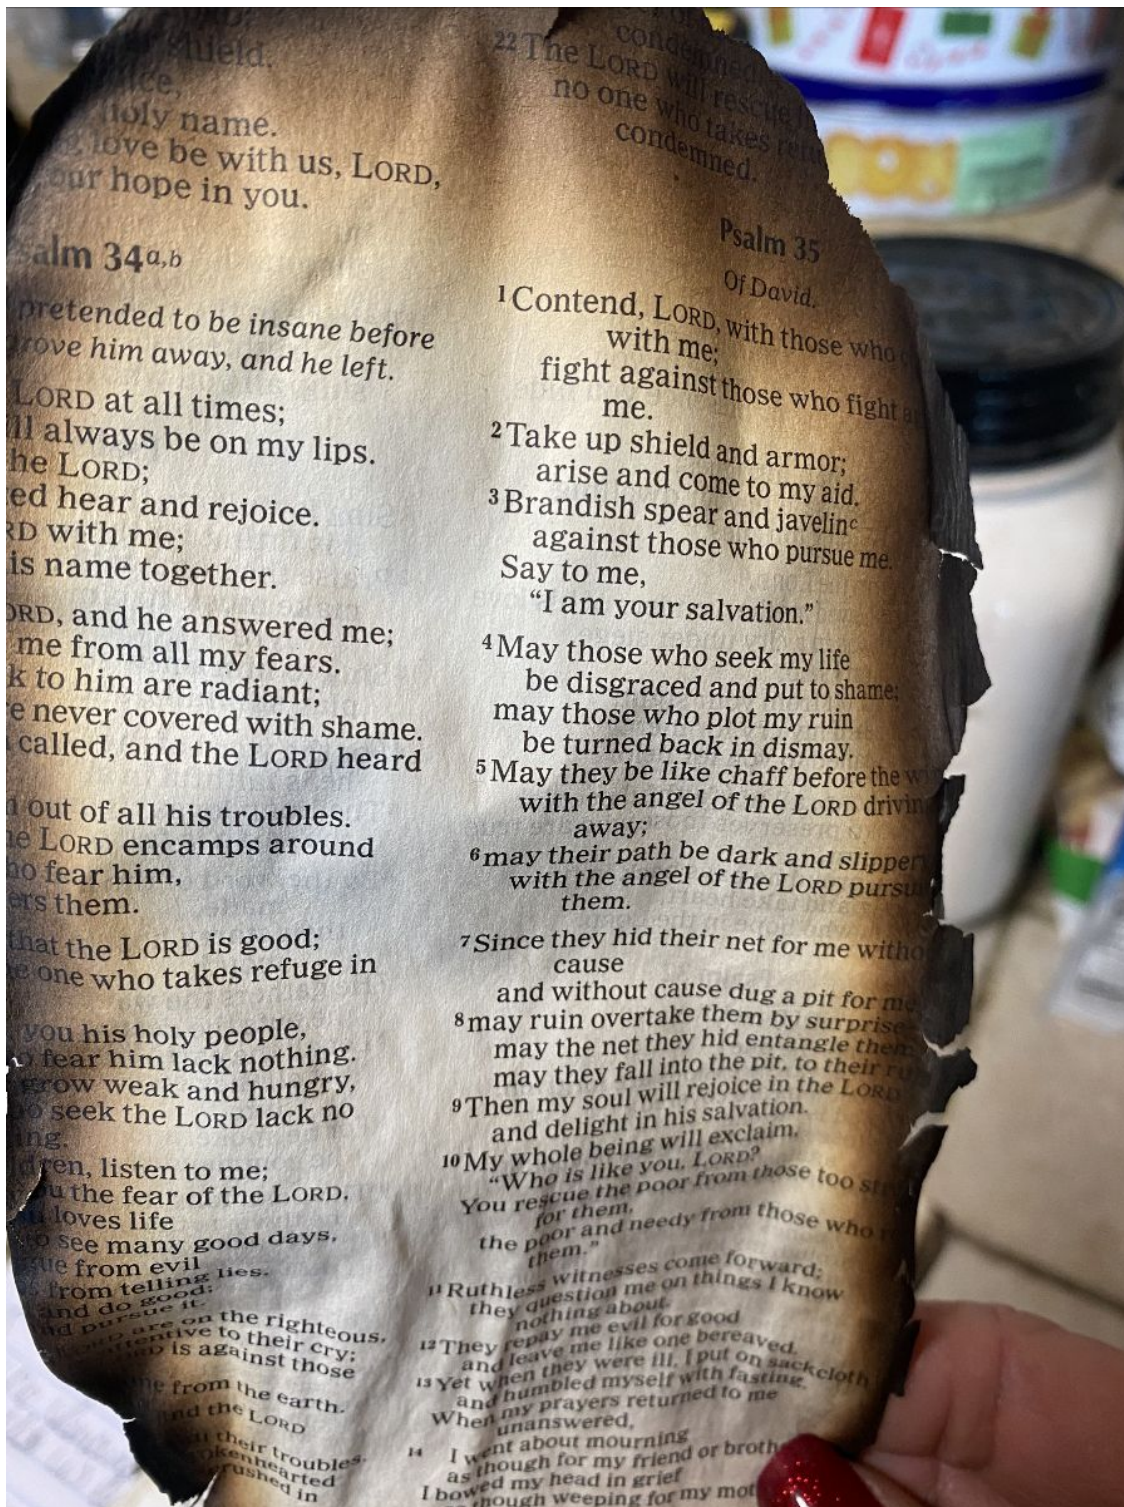

I was able to go to the house on Saturday with a couple of the girls to see if we could find anything that might have been salvageable. Laying on top of the debris was one page from the Bible - Psalm 34

*17 The righteous cry out, and the Lord hears them;
he delivers them from all their troubles.*

*18 The Lord is close to the brokenhearted
and saves those who are crushed in spirit.*

19 *The righteous person may have many troubles,
but the Lord delivers him from them all;*
20 *he protects all his bones,
not one of them will be broken.*
