Dear Brothers & Sisters in Christ,

So many amazing things have happened in the last couple of months. One of the ladies was able to move to Louisiana to help her Mother that had a stroke. Shes transitioned very well and we talk often. We were sad and glad all in one. The ladies are working and continuing in bible studies and preparing for our new business venture. We have a lady that next month will be a year since being at NB that's a huge blessing.. She has changed immensely and blesses us each day to watch her grow more and more.

We currently have 11 ladies and have a waiting list of ladies wanting to come. I had a dream in December about 2 more houses and have been in prayer seeking God's wisdom in timing and the place. The home owner of the Sayles house said we can remodel and we had some people to volunteer last year and at that time he wouldn't allow us to. If you are one of those people please let me know, as I don't remember. We are still praying for finances to purchase this home as well as the Cedar Crest location. We have been very blessed with God's favor to be able to rent thus far.

We are looking forward to our "Spring" fundraiser garage sale soon approaching, we are taking donations. We have been so blessed with the outpouring of support that everyone has shown. It allows us to meet so many needs.

In the past we have put everything in the sale, but this time we will hold on to anything that we can refinish and resell in our store. Many of you know that God has placed It on our hearts to open a store with Unique items we will make including furniture, crosses and some clothing. I felt him tell me to start preparing for a building. This will provide jobs for the ladies, it's a tough step for many of them that have backgrounds to obtain employment. Please be in prayer for a building. If you need items picked up call or email and we can schedule a time that works for you. The sale is scheduled for April 4,5,6. Thank you for your continued support.

Our second annual luncheon will be here soon. We are checking into some places to have it. Last years was a huge success and we want to have

plenty of room for everyone. We have some amazing testimonies from some of the ladies that the Lord has done a powerful work through. We are so excited to share their stories with you.

The last thought, if you have donated towards the New Beginnings book, its in the editing stages and we are hoping to get it finished very soon. Thank you for your support and patience!!

Blessings in Jesus Name!!!
