## Luncheon planning under way

**W**e are gearing up for our annual November luncheon already with some exciting changes. We will be offering different levels of sponsorship this year, with benefits and perks to each level. The event will be from 11:30 a.m. to 1 p.m. Monday, Nov. 6, at ACU's Hunter Welcome Center.

If you feel led to help in ANY way, we could use the assistance. Contact Becky Nail at 325.668.0026 or e-mail

Beckynail@aol.com for more information.

And please mark your calendars to join us in celebrating New Beginnings-Big Country 6th annual luncheon.

Hear how God is transforming lives. We will have personal testimonies of how God has released women from the bondage of drugs, alcohol and abusive situations.

Please reserve your table in advance. We could not help so many women without you.

## Letter from Missy

This season has been one of growth. And it seems when there is growth, there are GROWING PAINS. And where work is done in the name of Jesus, there are also attacks and adversity. This time has taken its toll on both me and the ladies of NBBC. We all sat down a few weeks ago and renewed our faith and our focus to stay aligned in our mission.

Our flagship home is facing instability. The owners must sell because of health reasons, and frankly, all I've been able to do is cry out to the Lord. In every bit of my being, I know that the Lord is faithful in all things. But

one of the biggest ways I have seen Him move is through others. So here I am asking uncomfortably for YOUR help in obedience to Him.

We have rented the house at 1235 Cedar Crest 5 years ago. There is a large carport for storage, an above-ground pool we use for baptisms and a pool house we use for seasonal storage for InnerCreations inventory. This is our gathering place: host to parties, get-togethers and Christmas, Easter and Thanksgiving celebrations. Mercy House is the name we christened it with, and it continues to be the spot for special guest speakers and big Bible studies. In short, it's home.

The owners are asking \$190,000. I am prayerfully asking for your help. Built in 1966, it's a 1 ½ story home with six bedrooms and three baths that could house up to 12 women in the almost 2200 square feet. If you cannot help us financially, please keep this in your prayers as we continue to seek God's perfect will in everything we do.

## August Baptisms!!!

# FaithWorks Graduation

**K**imberly DeLeon and former NBBC member Donna Minor graduated from FaithWorks in August. The two women have spent the last 13 weeks in the program learning how to identify, get and keep “THE JOB” meant for them. We showed up to show support for these women at graduation and Kimberly was one of the featured graduation speakers.

## InnerCreations celebrates a year

InnerCreations celebrated a year in business in August with a reception for the public and a sale on all summer merchandise. Help us spread the word about our resale ministry!
